Making New Connections

**2024 Wisconsin State Crime Stoppers Conference
October 17 -19, 2024**

**Hilton Paper Valley Hotel
Appleton, WI**

WISCONSIN STATE CRIME STOPPERS, INC.

October 17, 2024

The Wisconsin State Crime Stoppers Board of Directors welcomes you to the 31st Wisconsin State Crime Stoppers Annual Meeting and Training Conference! The Wisconsin State Crime Stoppers (WSCS) board of directors realize how important your time is from a personal and professional perspective, so we hope to share information that is valuable to make your local Crime Stoppers program run more efficiently and effectively in making our communities safe and secure for all.

The theme of this year's conference, 'Making New Connections', seeks to encourage people to interact within and outside our local programs and communities. The conference itself is one way to network with all the other Crime Stoppers programs throughout the state. Also, learn from others how they interact within their communities and other service organizations to strengthen their local program. We offer numerous networking break times to interact with fellow participants at the conference. Take advantage of this time! That is the beauty of Crime Stoppers: we don't have trade secrets as we are all working to get the Bad Guys! So, sharing information on our successes should be encouraged! We have this opportunity to learn from others by networking!

In addition, over the course of the next several days, you will encounter training focused on how to enhance and improve your local Crime Stoppers program. Some training will provide tools and information in improving the efficiencies and productivity of your program. Other training will challenge you on being a more effective leader with other training sharing some procedural aspects of operating a Crime Stoppers program. All in all, the WSCS believe it has provided a well-rounded training conference allowing you to bring back impactful information to immediately assist in propelling your program forward.

As we have asked in the past, we learn from you what topics and speakers to seek for future conferences. We obtain this information through the evaluation form process we ask each attendee to complete before leaving the conference. We will be once again conducting our evaluation process utilizing Survey Monkey. For those of you that have provided an email during the registration process, you will receive an email from WSCS immediately following the conference asking the usual questions about the conference, speakers, and future content. Do it at your leisure, however, **we ask it to be completed within two weeks of the conference**. It is simple, easy, and done right over the internet, cell phone or tablet! It most likely will take less than 5 minutes! Please share this information so we can adequately meet your needs for future conferences!

Thank you again for taking time out of your busy professional and personal life in joining us for the Wisconsin State Crime Stoppers conference. We hope you find the training informative and useful. Enjoy your conference!
